I have worked diligently to make a schedule that fits the desires of the parents as well as the aptitude of the students to provide everyone with a great year of dance to the best of my abilities. You may notice, not all classes that we offer are on this schedule, that means the interest wasn't high enough to hold a class, HOWEVER, the offerings haven't changed and if you are interested in a class no longer listed please call me, we may have to look into doing a solo or duet or see if we can recruit new dancers!! If you have any questions whatsoever, please don't hesitate to call me. I look forward to a great year and am excited to get started! A final registration will be held Saturday September 8th from 11-3 at the studio, 1304 Main St Susquehanna. Classes begin Monday September 10th!!!
